Why are you relinquishing this pug? \_\_\_\_\_

\_\_\_\_\_

Is there a date by which the pug must be out of your home? \_\_\_\_\_

While I reserve the right to meet the new owners before adoption takes place, I relinquish all rights to the pug after the fact and will not attempt to reclaim him/her. I also understand that should a future emergency occur wherein the new owners are unable to care for the pug, he/she will be returned to Laura Boudreau of the Pugusta Club for re-homing.
